PROPOSED CHANGE OF GAME LAWS

Secretary Kalbfus Writes To Local Sportsmen Concerning New Statute.

MAKES SEASON LONGER

The Charleroi Gun Club is in receipt of a letter from Secretary Joseph Kalbfus, of the state game commission, regarding the proposed changes in the game laws of the sate. The organized sportsmen of the state last spring agreed to a bill regulating seasons for the killing of game. This bill has also been agreed upon by the Game Commission.

The proposed changes are as follows:

Grouse, woodcock and squirrel, October 15 to January 1.

Rabbits, November 1 to January 15.

Wild turkeys, and quail. November 1 to January 1.

Deer as at present. Bear from November 15 to December 1.

All other game as at present time. The law as it now stands provides for the killing of grouse, woodcock, and squirrel from Oct. 1 to Dec. 1; rabbits and wild turkey. Oct. 15 to Dec. 1; quail, Nov. 1 to Dec. 1: wild duck, Sept. 1 to April 10; doves and blackbirds, Sept. 1 to Jan. 1; deer, Nov. 15 to Dec. 1; bear Oct. 1 to March 1.

Taken in it's entirety the new proposed bill is satisfactory to the sportsmen all over the state, as it gives an extended season for nearly every animal.

CHILDREN TO BE PLACED IN HOMES

Marianna Relief Committee Looking After Orphans From Disaster.

Steps are being taken by the Washington committee in charge of the relief of the widows and orphans of the Marianna mine disaster, to place some of the young children left fatherless and destitute in the homes of proper people, either for adoption or for the purpose of providing them with homes until they reach maturity

Secretary James W. Wardrop a few days ago was in receipt of a letter from a farmer in the western part of the county asking that one of the boys made an orphan by this disaster be placed with him. The request will be complied with, if it is the power of the committee to do so.

A great per cent of the victims of the Marianna disaster were Americans or at least English speaking, being the highest class type of workmen. Many of their children will be dependent upon charity for years for sustenance, and the relief committee believes that it will be able to place many of them in good homes. The committee desires that all inquiries be addressed to the Marianna Mine Relief Committee, Room 503, Brown Building, Washington, Pa.

SEVENTEEN FEET OF THE PETITION

Immense Document In One Roll Will Be Sent To Railroad Company.

ARE IN GREAT HOPES

There is seventeen feet of the petition to be sent to the Pennsylvania Railroad by Charleroi citizens begging for a new station here. This immense document in one roll together with photographs and a map of the surrounding territory will be delivered to the head officials as soon as possible. What ever action there will be in the matter will be taken later.

Local people are in great hopes of securing a new station and think that the company will not fail to comply with their request. They are already aware that a petition is to be presented to them. Plans for a new structure had been drawn up last year but they were never used by the company for various reasons, mainly among which was the coming on of the financial depression.

SAYS REFEREE WAS LITTLE OFF

A startling account of the polo game in Charleroi on Wednesday between the Monongahela and Charleroi teams is given by the Monongahela Republican. It says after an apology for it's statement, that Monongahela got the worst of the deal from the referee, and goes on further to state that the lights of the rink were poor. Other statements are made that are really an injustice. Evidently the leatute editor was not at the game and took the player's excuse for the defeat.

Tonight at Monongahela the Charleroi bunch will meet the bunch from that town and mean to wallop them as they have done in the last two games.

Charleroi is now in second place with a good chance of getting in first. The standing of the clubs is as follows:

	W.	L.	Pct.
Monongahela	10	5	667
Charleroi	11	8	579
Kittanning	10	8	556

CAPT. JOHN K. HEIN

Candidate for the Republican Nomination for Burgess Of Charleroi.

Elected three times as a member of the borough council served two years as president of that body A loyal Republican and always active in the interests of that party. Takes an active interest in the civic welfare

of Charleroi, and will, if nominated and elected, administer the duties of the office to the best of his judgement in the interests of all.

Miss Anna Craven has returned home after a visit in Charleroi with friends and relatives.

WOMAN SENT UP FROM CHARLEROI PLEADS GUILTY

Before Judge McIlvaine at Washington yesterday two pleas of guilty were entered Mary Kantik, committed by Justice S. E. Wilson, of Charleroi, entered a plea of guilty to adultery. The woman has a baby in arms, besides three other children. The baby was sick, and it was one of those cases which comes into criminal court where the court hardly knows what to do. To imprison the woman for two or three months would probably mean the death of the child. Judge McIlvaine, after some deliberation, sentenced her to pay the costs, and fine, of $1 and undergo imprisonment in the county jail for one day. This puts the matter up to the commissioners to discharge her, if they so wish, as she has no money to pay either fine or costs, and the county does not want to keep her imprisoned with a sick baby.

Off the bench, after sentence had been pronounced, Judge McIlvaine remarked that there ought to be some way to deal with just such cases, that he believed there should be some such organization as the juvenile court to look after these foreigners, and where they commit crime for the first time, put them under probation, instruct them, and look after them, just as the juvenile court looks after a probationer.

Judge McIlvaine does not believe that any good is done by throwing such cases into court and imprisoning the defendant. They again commit similar offenses as soon as they are released. Judge McIlvaine believes that it is an important question.

WOMAN SAID TO HAVE STOLEN GOODS

Hearing At Washington Of Miss Charged With Looting Wardrobe.

Mary Roak, alias Mary Mitchell, was placed in jail yesterday to await the February term of court on a charge of larceny preferred by William R. Scott, of Charleroi. Mrs. Roak is accused of having taken from the Scott home while employed there as housekeeper a number of valuable dresses belonging to Mrs. Scott. The alleged theft occurred in November.

The list of goods taken included three dresses, three waists, one boy's overcoat and a number of other articles. The whole amount was valued at $185. A search warrant was secured and a small log cabin near Eldora Park, which is occupied by the accused was searched. Two of the missing dresses was found in the building.

The accused was given a hearing yesterday before Justice Henry Gantz of Washington and held for court.

To The Voters of Charleroi.

I again make announcement that I am a candidate for Burgess of Charleroi on the Independent ticket and if elected will endeavor to fill the office intelligently and fairly.

Respectfully yours

TERMS FOR SETTLEMENT OF SUITS

Attorneys in Readines For Meeting Which Will Be Held Probably Monday.

THE PLAN IS OUTLINED

It is most probable that the postponed meeting of the Charleroi borough attorneys with the officials and attorneys of the Charleroi Water company will be held on Monday of next week. Leastwise this is the opinion of Solicitor McCloskey. The terms which will be presented to the Water company for signatures has been thoroughly covered by the Mail of previous issues, but a repetition of the substance of them would be interesting.

As framed by the attorneys, the company and the borough in conjunction are terminated to regulate the flow of water used for flushing the automatic tanks, the average number of times being twice a day below Washington avenue and once a day above that street. This is the thing upon which the water company kicked so strenuously.

The council agrees to extend the time of the contract ten years, but provide that for this and the other concessions, the partons must have filtered water. If the company increases their rates to the private consumers at any time, the contract shall be forfeited.

The borough will install ten or more additional water plugs wherever there is enough of a supply of water to make the plugs available.

These and a multitude of other minor things are embodied in the statements. The attorneys for the borough are D. M. McCloskey, and Carl Gibson and for the Water company, Robert Irwin of Washington and Gordon and Smith of Pittsburg.

WHERE IS HEAVEN, TOPIC FOR TONIGHT

Revival services at the Christian church continue with increasing interest. At Thursday evening's service three were received into the Fellowship of the church and one was baptised. A large congregation was in attendance, and heartily joined in the Gospel songs as led by Mr. Hunter. This evening the subject is: "Where is Heaven?"

COURT HANDS DOWN OPINION

Judge McIlvaine sitting in the court of common pleas yesterday handed down an opinion of importance. In the matter of John H. Vandergrift vs. Julia A. Vandergrift and Julia A. Vandergrift, executrix of the estate of John M. Vandergrift, deceased, the exceptions filed to adjudication were ordered overruled and it was ordered that the bill filed be dismissed at the cost of the plaintiff. This decision reversed the opinion granting judgment against the defendant several months ago.

A case comes from Stockdale of where a teacher was charged of the abuse of a child under her care, arrested and fined, and the matter taken to the county court by her, on a writ of certiorari, allowed by the court to be issued against the justice before whom she was given a hearing. The court reverses the decision of the justice and directs that the teacher be reimbursed with the amount she was fined together with the costs. The court in so doing laid some stress on the fact that the said justice seemed lacking in a general knowledge of the law and it was pointed out that the records of his were entirely deficient.

It is a case altogether too common for a man to be elected to the office of the justice of the peace who is little more than able to read and write his own name. These persons have small knowledge indeed of the rudiments of law, and have too little education to know enough to try to learn. The office of Justice of the Peace is a responsible one, for this dignitary is in reality the judge of the town. As such then he should be well versed, the same as the county judge, and ready and capable of giving really honest decisions that come under his charge. We do not wish to specialize in the one case of the justice at Stockdale, or apply this paragraph to him, but to those who are entirely incapable of dispensing justice, and who instead of occupying this position, should according to their talents, and ability being some other pursuit where there is manual instead of mental work to be accomplished.

Another noticeable thing about some of the Justices offices is the unlawful way in which some of the business is carried on. The justice and his flock of officers are regular carriors, looking for their prey. They are not there for the purpose of dispensing justice, but to make whatever money they can out of the job, as they regard it, and the easiest way to get the said necessary wherewithal and the way in which they can keep themselves immune from law is that for which they are looking. And usually this consists of numerous arrests of foreigners and their subsequent fining, with costs. The latter in many cases, as the court would learn if it would investigate, are extortionate.

Electric Sparks

Among some of the Polo enthusiastis, the three periods in the games are known as halves. According to this the game must indeed be a game and a half, inasmuch as it takes but two halves to make a whole.

Governor Haskell, of Oklahoma, is also not above invoking extraordinary legal powers in his battle with his enemies.

It is pretty safe to predict that no chaffuer will ever hold an important elective office in this country.

Mr. and Mrs. Frank Gleason and Ed. Gleason of Scottdale are visiting friends and relatives in Charleroi a few days.

C. E. Lantz is transacting business today in Pittsburg.

J. W. Cordes has left for St. Louis, Mo., on a business visit.

Rev. H. O. MacDonald of Monessen last night at the First Presbyterian church delivered an interesting sermon, on the topic, "Fighting For or Against God." He showed that some of those who are fighting against Him may escape for a while but must meet the consequences by and by. He said that we must reap what we sow. There was a good turnout at the service. Services will be held this evening.

CURES CATARRH

John W. Carroll Will Furnish the Medicine Free in Every Case Where They Fail to Cure Catarrh

Neglect or pessimism we believe is the greatest enemy the public have to contend with when applied to the loss or recovery of health. Practically every case of consumption might have been cured if hope had been maintained and proper treatment had been resorted to at the first symptom of the disease. Until the advanced stage is reached, consumption is curable. Catarrh is responsbile, we believe, for every case of consumption. It is about Catarrh we want to talk to you today, incidentally consumption, since the two are so closely allied.

We have a medicine made from the prescription of one of the most successful catarrh specialists known. This medicine has a record of 98 per cent. of cures, and now we believe it is positively without an equal. We are so satisfied that we are right, that we will supply the medicine free in every instacne where it is used according to directions for a reasonable length of time and fails to cure and give saisfaction in every particular. We want everyone in Charleroi to try this medicine at our risk. There are no conditions or formality attached to our offer. We put the user under no obligation to us whatever.

The medicine we want you to try is Rexall Mucu-Tone. It is a catarrh remedy that goes direct to the seat of trouble. it is carried by the blood to every part of the system. It seeks out and destroys the germs or parasites which cause Catarrh. It purifies and enriches the blood, tones up the muco-cells, soothes and heals the tissues that were ravaged by the catarrh parasite, and brings about a condition of health and strengh that prevents the germs of consumption from ever getting a start. Besides this, Rexall Mucu-Tone is a wonderful appetizer, digestive aid and flesh builder. Its good effects are felt from the very first dose. It is one of the largest and most satisfactory selling medicines that we have ever had anything to do with. We know so much of the great good that it has done that we personally back it up with our reputation and money, which fact should be ample guarantee to satisfy anybody.

Rexall Mucu-Tone comes in two sizes 50c. and $1.000. We urge you to try it. John W. Carroll, Charleroi, Pa.

OWES HER LIFE TO

Lydia E. Pinkham's Vegetable Compound

Vienna, W. Va.—"I feel that I owe the last ten years of my life to Lydia E. Pinkham's Vegetable Compound. Eleven years ago I was a walking shadow. I had been under the doctor's care but got no relief. My husband persuaded me to try Lydia E. Pinkham's Vegetable Compound and it worked like a charm. It relieved all my pains and misery. I advise all suffering women to take Lydia E. Pinkham's Vegetable Compound."—MRS. EMMA WHETSTON, Vienna, W. Va.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases of any similar medicine in the country, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every such suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

R. J. WHITEHEAD

Subject to the decision of the Republican voters at the Primary Election Saturday, January 23, 1909.

He took the initiative in establishing the present economical means by which our finances are handled in which each bank in town serves as the Treasurer of both school and borough. This they do, without compensation, thereby saving thousands of dollars to the taxpayers. It is doubtful if another town in Pennsylvania can boast of this economic management of their funds, and all honor to the School Board who started this movement for justice and equalization: and to the Council for following their example and getting into line: and to our Banks for their generous aid in helping to save for the taxpayer. In our praise for these institutions, however, let us not forget, and overlook the man whose unselfish devotion to right and justice to all, pushed this measure to a successful and living issue—even though it took months of hard work on his part.

FOR BURGESS

PROPOSED CHANGE OF GAME LAWS

Secretary Kalbfus Writes To Local Sportsmen Concerning New Statute.

MAKES SEASON LONGER

The Charleroi Gun Club is in receipt of a letter from Secretary Joseph Kalbfus, of the state game commission, regarding the proposed changes in the game laws of the sate. The organized sportsmen of the state last spring agreed to a bill regulating seasons for the killing of game. This bill has also been agreed upon by the Game Commission.

The proposed changes are as follows:

Grouse, woodcock and squirrel, October 15 to January 1.

Rabbits, November 1 to January 15.

Wild turkeys, and quail, November 1 to January 1.

Deer as at present. Bear from November 15 to December 1.

All other game as at present time. The law as it now stands provides for the killing of grouse, woodcock, and squirrel from Oct. 1 to Dec. 1; rabbits and wild turkey, Oct. 15 to Dec. 1; quail, Nov. 1 to Dec. 1; wild duck, Sept. 1 to April 10; doves and blackbirds, Sept. 1 to Jan. 1; deer, Nov. 15 to Dec. 1; bear Oct. 1 to March 1.

Taken in it's entirety the new proposed bill is satisfactory to the sportsmen all over the state, as it gives an extended season for nearly every animal.

CHILDREN TO BE PLACED IN HOMES

Marianna Relief Committee Looking After Orphans From Disaster.

Steps are being taken by the Washington committee in charge of the relief of the widows and orphans of the Marianna mine disaster, to place some of the young children left fatherless and destitute in the homes of proper people, either for adoption or for the purpose of providing them with homes until they reach maturity.

Secretary James W. Wardrop a few days ago was in receipt of a letter from a farmer in the western part of the county asking that one of the boys made an orphan by this disaster be placed with him. The request will be complied with, if it is the power of the committee to do so.

A great per cent. of the victims of the Marianna disaster were Americans or at least English speaking, being the highest class type of workmen. Many of their children will be dependent upon charity for years for sustenance, and the relief committee believes that it will be able to place many of them in good homes. The committee desires that all inquiries be addressed to the Marianna Mine Relief Committee, Room 503, Brown Building, Washington, Pa.

SEVENTEEN FEET OF THE PETITION

Immense Document In One Roll Will Be Sent To Railroad Company.

MAKE IN GREAT HOPES

There is seventeen feet of the petition to be sent to the Pennsylvania Railroad by Charleroi citizens begging for a new station here. This immense document in one roll together with photographs and a map of the surrounding territory will be delivered to the head officials as soon as possible. What ever action there will be in the matter will be taken later.

Local people are in great hopes of securing a new station and think that the company will not fail to comply with their request. They are already aware that a petition is to be presented to them. Plans for a new structure had been drawn up last year but they were never used by the company for various reasons, mainly among which was the coming on of the financial depression.

SAYS REFEREE WAS LITTLE OFF

A startling account of the polo game in Charleroi on Wednesday between the Monongahela and Charleroi teams is given by the Monongahela Republican. It says after an apology for it's statement, that Monongahela got the worst of the deal from the referee, and goes on further to state that the lights of the rink were poor. Other statements are made that are really an injustice. Evidently the leature editor was not at the game and took the player's excuse for the defeat.

Tonight at Monongahela the Charleroi bunch will meet the bunch from that town and mean to wallop them as they have done in the last two games.

Charleroi is now in second place with a good chance of getting in first. The standing of the clubs is as follows:

	W.	L.	Pct.
Monongahela	10	5	667
Charleroi	11	8	579
Kittanning	10	8	556
Beaver Falls	3	77	300

CAPT. JOHN K. HEIN

Candidate for the Republican Nomination for Burgess Of Charleroi.

Elected three times as a member of the borough council. Served two years as president of that body. A loyal Republican and always active in the interests of that party. Takes an active interest in the civic welfare

of Charleroi, and will, if nominated the office to the best of his judgement in the interests of all.

He respectfully asks the voters to consider his candidacy for the nomination for burgess at the primary election tomorrow, Saturday, January 23.

Miss Anna Craven has returned home after a visit in Charleroi with friends and relatives.

WOMAN SENT UP FROM CHARLEROI PLEADS GUILTY

Before Judge McIlvaine at Washington yesterday two pleas of guilty were entered Mary Kantik, committed by Justice S. E. Wilson, of Charleroi, entered a plea of guilty to adultery. The woman has a baby in arms, besides three other children. The baby was sick, and it was one of those cases which comes into criminal court where the court hardly knows what to do. To imprison the woman for two or three months would probably mean the death of the child. Judge McIlvaine, after some deliberation, sentenced her to pay the costs, and fine of $1 and undergo imprisonment in the county jail for one day. This puts the matter up to the commissioners to discharge her, if they so wish, as she has no money to pay either fine or costs, and the county does not want to keep her imprisoned with a sick baby.

Off the bench, after sentence had been pronounced, Judge McIlvaine remarked that there ought to be some way to deal with just such cases, that he believed there should be some such organization as the juvenile court to look after these foreigners, and where they commit crime for the first time, put them under probation, instruct them, and look after them, just as the juvenile court looks after a probationer.

Judge McIlvaine does not believe that any good is done by throwing such cases into court and imprisoning the defendant. They again commit similar offenses as soon as they are released. Judge McIlvaine believes that it is an important question.

WOMAN SAID TO HAVE STOLEN GOODS

Hearing At Washington Of Miss Charged With Looting Wardrobe.

Mary Roak, alias Mary Mitchell, was placed in jail yesterday to await the February term of court on a charge of larceny preferred by William R. Scott, of Charleroi. Mrs. Roak is accused of having taken from the Scott home while employed there as housekeeper a number of valuable dresses belonging to Mrs. Scott. The alleged theft occurred in November.

The list of goods taken included three dresses, three waists, one boy's overcoat and a number of other articles. The whole amount was valued at $185. A search warrant was secured and a small log cabin near Eldora Park, which is occupied by the accused was searched. Two of the missing dresses was found in the building.

The accused was given a hearing yesterday before Justice Henry Gantz of Washington and held for court.

To The Voters of Charleroi.

I again make announcement that I am a candidate for Burgess of Charleroi on the Independent ticket and if elected will endeavor to fill the office intelligently and fairly.

Respectfully yours

1388t2 George Newton

TERMS FOR SETTLEMENT OF SUITS

Attorneys in Readines For Meeting Which Will Be Held Probably Monday.

THE PLAN IS OUTLINED

It is most probable that the postponed meeting of the Charleroi borough attorneys with the officials and attorneys of the Charleroi Water company will be held on Monday of next week. Leastwise this is the opinion of Solicitor McCloskey. The terms which will be presented to the Water company for signatures has been thoroughly covered by the Mail of previous issues, but a repetition of the substance of them would be interesting.

As framed by the attorneys, the company and the borough in conjunction are terminated to regulate the flow of water used for flushing the automatic tanks, the average number of times being twice a day below Washington avenue and once a day above that street. This is the thing upon which the water company kicked so strenuously.

The council agrees to extend the time of the contract ten years, but provide that for this and the other concessions, the patrons must have filtered water. If the company increases their rates to the private consumers at any time, the contract shall be forfeited.

The borough will install ten or more additional water plugs wherever there is enough of a supply of water to make the plugs available.

These and a multitude of other minor things are embodied in the statements. The attorneys for the borough are D. M. McCloskey, and Carl Gibson and for the Water company, Robert Irwin of Washington and Gordon and Smith of Pittsburg.

WHERE IS HEAVEN, TOPIC FOR TONIGHT

Revival services at the Christian church continue with increasing interest. At Thursday evening's service three were received into the Fellowship of the church and one was baptised. A large congregation was in attendance, and heartily joined in the Gospel songs as led by Mr. Hunter. This evening the subject is: "Where is Heaven?"

COURT HANDS DOWN OPINION

Judge McIlvaine sitting in the court of common pleas yesterday handed down an opinion of importance. In the matter of John H. Vandergrift vs. Julia A. Vandergrift and Julia A. Vandergrift, executrix of the estate of John M. Vandergrift, deceased, the exceptions filed to adjudication were ordered overruled and it was ordered that the bill filed be dismissed at the cost of the plaintiff. This decision reversed the opinion granting judgment against the defendant several months ago.

GOOD EVENING.

The heart hath its own memory like the mind,
And in it are enshrined

The giver's loving thought.—Longfellow.

Birds of Prey.

A case comes from Stockdale of where a teacher was charged of the abuse of a child under her care, arrested and fined, and the matter taken to the county court by her, on a writ of certiorari, allowed by the court to be issued against the justice before whom she was given a hearing. The court reverses the decision of the justice and directs that the teacher be reimbursed with the amount she was fined together with the costs. The court in so doing laid some stress on the fact that the said justice seemed lacking in a general knowledge of the law and it was pointed out that the records of his were entirely deficient.

It is a case altogether too common for a man to be elected to the office of the justice of the peace who is little more than able to read and write his own name. These persons have small knowledge indeed of the rudiments of law, and have too little education to know enough to try to learn. The office of Justice of the Peace is a responsible one, for this dignitary is in reality the judge of the town. As such then he should be well versed, the same as the county judge, and ready and capable of giving really honest decisions that come under his charge. We do not wish to specialize in the one case of the justice at Stockdale, or apply this paragraph to him, but to those who are entirely incapable of dispensing justice, and who instead of occupying this position, should according to their talents, and ability being some other pursuit where there is manual instead of mental work to be accomplished.

Another noticeable thing about some of the Justices offices is the unlawful way in which some of the business is carried on. The justice and his flock of officers are regular carriots, looking for their prey. They are not there for the purpose of dispensing justice, but to make whatever money they can out of the job, as they regard it, and the easiest way to get the said necessary wherewithal and the way in which they can keep themselves immune from law is that for which they are looking. And usually this consists of numerous arrests of foreigners and their subsequent fining, with costs. The latter in many cases, as the court would learn if it would investigate, are extortionate.

Electric Sparks

Among some of the Polo enthusiastis, the three periods in the games are known as halves. According to this the game must indeed be a game and a half, inasmuch as it takes but two halves to make a whole.

Governor Haskell, of Oklahoma, is also not above invoking extraordi- [illegible] his enemies.

It is pretty safe to predict that no chaffuer will ever hold an important elective office in this country.

Mr. and Mrs. Frank Gleason and Ed. Gleason of Scottdale are visiting friends and relatives in Charleroi a few days.

C. E. Lantz is transacting business today in Pittsburg.

J. W. Cordes has left for St. Louis, Mo., on a business visit.

Rev. H. O. MacDonald of Monessen last night at the First Presbyterian church delivered an interesting sermon, on the topic, "Fighting For or Against God." He showed that some of those who are fighting against Him may escape for a while but must meet the consequences by and by. He said that we must reap what we sow. There was a good turnout at the service. Services will be held this evening.

The Mail is indebted to the local superintendent of schools, Prof. W. D. Wright, for a copy of the report of the Superintendent of Public Instruction, of the state of Pennsylvania, for the year 1908. It has some interesting information.

CURES CATARRH

John W. Carroll Will Furnish the Medicine Free in Every Case Where They Fail to Cure Catarrh

Neglect or pessimism we believe is the greatest enemy the public have to contend with when applied to the loss or recovery of health. Practically every case of consumption might have been cured if hope had been maintained and proper treatment had been resorted to at the first symptom of the disease. Until the advanced stage is reached, consumption is curable. Catarrh is responsbile, we believe, for every case of consumption. It is about Catarrh we want to talk to you today, incidentally consumption, since the two are so closely allied.

We have a medicine made from the prescription of one of the most successful catarrh specialists known. This medicine has a record of 98 per cent. of cures, and now we believe it is positively without an equal. We are so satisfied that we are right, that we will supply the medicine free in every instacne where it is used according to directions for a reasonable length of time and fails to cure and give saisfaction in every particular. We want everyone in Charleroi to try this medicine at our risk. There are no conditions or formality attached to our offer. We put the user under no obligation to us whatever.

The medicine we want you to try is Rexall Mucu-Tone. It is a catarrh remedy that goes direct to the seat of trouble. It is carried by the blood to every part of the system. It seeks out and destroys the germs or parasites which cause Catarrh. It purifies and enriches the blood, tones up the muco-cells, soothes and heals the tissues that were ravaged by the catarrh parasite, and brings about a condition of health and strengh that prevents the germs of consumption from ever getting a start. Besides this, Rexall Mucu-Tone is a wonderful appetizer, digestive aid and flesh builder. Its good effects are felt from the very first dose. It is one of the largest and most satisfactory selling medicines that we have ever had anything to do with. We know so much of the great good that it has done that we personally back it up with our reputation and money, which fact should be ample guarantee to satisfy anybody.

Rexall Mucu-Tone comes in two sizes 50c. and $1.000. We urge you to try it. John W. Carroll, Charleroi, Pa.

OWES HER LIFE TO

Lydia E. Pinkham's Vegetable Compound

Vienna, W. Va.—"I feel that I owe the last ten years of my life to Lydia E. Pinkham's Vegetable Compound. Eleven years ago I was a walking shadow. I had been under the doctor's care but got no relief. My husband persuaded me to try Lydia E. Pinkham's Vegetable Compound and it worked like a charm. It relieved all my pains and misery. I advise all suffering women to take Lydia E. Pinkham's Vegetable Compound."—Mrs. EMMA WHEATON, Vienna, W. Va.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases of any similar medicine in the country, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every such suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

Notice.

The report is that I have withdrawn from the field in the race for the nomination for Tax Collector. This report is without foundation and was started for the purpose of injuring me. I am still making an effort to secure the nomination and if elected promise that the peoples money will be taken care of to the best of my ability. Your vote is respectfully solicited.

The man who could save and bank $5 per month and doesn't do it is throwing away $60 per year—the gross earning power of $1,000 at 6 per cent interest.

Why not start an account with us and conserve this "1,000 earning?" You can open an account with a $5 deposit, or even less. Come in and let us talk over the matter.

FOR BURGESS
R. J. WHITEHEAD

Subject to the decision of the Republican voters at the Primary Election Saturday, January 23, 1909.

He took the initiative in establishing the present economical means by which our finances are handled in which each bank in town serves as the Treasurer of both school and borough. This they do, without compensation, thereby saving thousands of dollars to the taxpayers. It is doubtful if another town in Pennsylvania can boast of this economic management of their funds, and all honor to the School Board who started this movement for justice and equalization; and to the Council for following their example and getting into line; and to our Banks for their generous aid in helping to save for the taxpayer. In our praise for these institutions, however, let us not forget, and overlook the man whose unselfish devotion to right and justice to all, pushed this measure to a successful and living issue—even though it took months of hard work on his part.
